It starts with a group of dedicated professionals whose goal is to provide a one-of-a kind quality experience with every cabinet we sell. Start-to-finish, our Customer Care Professionals are with you every step of the way by:

- Ensuring orders are processed quickly and accurately
- Following up promptly
- Minimizing errors
- Keeping you informed of your order progress online
- Scheduling swift delivery to fit your schedule

#### TECHNICAL SUPPORT

Need to check a dimension or access product information? Complete product specifications, including drawings and dimensions, are available at [www.rispcs.com](http://www.rispcs.com) or [www.customerservice.rispcs.com](http://www.customerservice.rispcs.com).

#### EMAIL ALERTS

For your peace of mind, we notify you when your order is received, for order acknowledgement, when the order is released to production and when the order ships from our facility. We also provide a weekly open order summary (report detailing the status of all open orders) so you are always in the loop.

#### ONLINE ORDER TRACKING

You can check your order details and status 24 hours a day with our online customer service system, ZenDesk. Simply go to <http://customerservice.rispcs.com/home>, log in and track the progress of your order.

#### RESPONSIVE CUSTOMER SERVICE

Need to speak to a customer service professional? RSI PCS ensures you can reach our Customer Care Team through phone, email and chat. When you need us, we're here.

Customer Service Hours of Operation: Monday-Friday 7am-4pm PST

#### CUSTOMER SERVICE GENERAL CONTACT INFORMATION

Order Entry/General Order Questions/Deliveries/Marketing Material Requests

General Customer Service Phone: 800.840.4415

General Customer Service Fax: 909.614.2901

## Wall Construction

- A 3/4" top panel\*
- B 1/4" back dadoed into end panel with concealed 4" mounting rail\*
- C Self locking shelf clips
- D 6-way adjustable clip on 110° opening hinge (soft close optional)
- E 3/4" bottom panel\*
- F Laminate interiors with White or Natural Maple based on door style
- G 5/8" side panels (Finished ends must be specified)
- H 3/4" full-depth adjustable shelves\*
- I Center shelf pin on cabinets 36" and wider

**\*Note: Any cabinet with a matching interior will be constructed (tops, bottoms, back, shelves and sides) from 5/8" material.**

## Base Construction

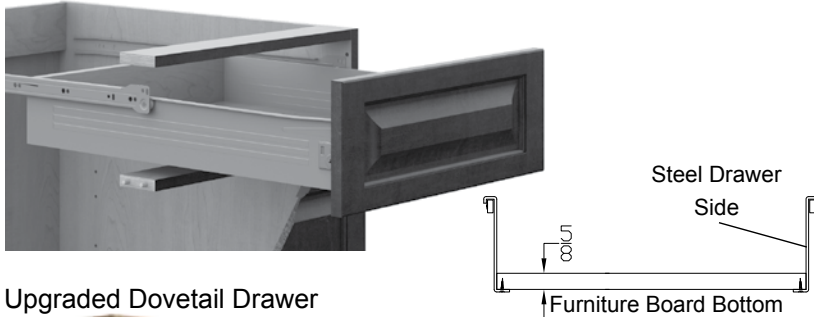

- J 5/8" Plywood rails doweled and glued into end panels
- K 22" deep, full access drawers with at least 4 - 1/8" of unencumbered vertical interior clearance
- L 3/4" full depth, adjustable shelves
- M All doors are full overlay design
- N 5/8" bottom rails toe kicks
- O 5/8" bottom panel
- P Doweled engineered panel rail joinery
- Q Full backs on bases (except sinks)
- R Steel drawer sides standard (upgraded drawer available)
- S 1/4" Laminated furniture board with 4" 5/8" plywood mounting rail
- T 5/8" drawer bottoms backs on the standard drawer (upgraded drawer available)

## General Construction

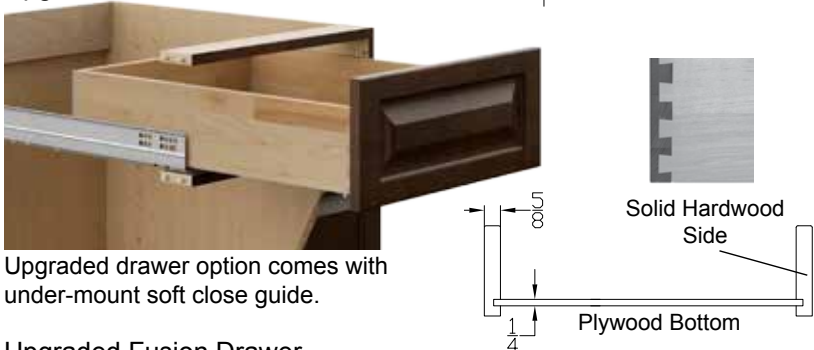

- Cabinets are frameless “European style” design with full access and full overlay styling. All panels and rail components are joined with engineered dowels, glue, screws, staples or a combination of those components appropriate to the typical use of the cabinet.
- All frameless case construction is made from commercial grade furniture board with laminated, water resistant (not waterproof) surfaces.

## Drawers

### Standard Drawer

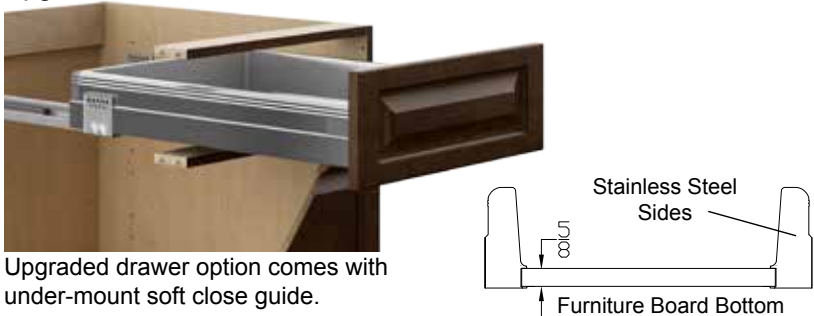

### Upgraded Dovetail Drawer

Upgraded drawer option comes with under-mount soft close guide.

### Upgraded Fusion Drawer

Upgraded drawer option comes with under-mount soft close guide.

		Standard	Dovetail	Fusion
(A)	Drawer depth *	22"	21"	21"
(B)	Travel (extension)	17 1/4"	20 1/4"	20 1/2"
(C)	Clearance inside	4 1/4"	4 1/4"	4 1/4"
	Load rating	75 lb	75 lb	75 lb
	Soft close	no	yes	yes

Larger drawers, such as pot and pan drawers, file drawers etc. come standard with a special heavy duty, full extension, 100 lb drawer guide. Note: This guide does not have the self closing feature

## Door Construction

Mortise and Tenon Joint

Miter Joint fastened with Steel Spline

## Hinge

6 way adjustable clip on 110° hinge opening (soft close optional)

## Shelf Clip

Self locking shelf clips

## Maple & Oak Door Styles

### *Interiors*

All Maple and Oak Cabinets come with standard maple interior and sides (except Fresh White which comes with a white interior).

### *Exteriors*

All Maple & Oak cabinets come standard with exposed unfinished furniture board ends. Natural maple laminate ends must be specified.

Matching finished ends must be specified in laminate or a real wood veneer. Oak not available in real wood veneer.

Edge Banding matches door fronts.

Toe Kick (ATK) must be ordered separately.

## Thermofoil Door Styles

### *Interiors*

All Thermofoil Cabinets come with standard white laminate interior.

### *Exteriors*

All Thermofoil cabinets come standard with exposed unfinished furniture board ends. White laminate ends must be specified.

### Decorative End Panels for Wall Cabinets

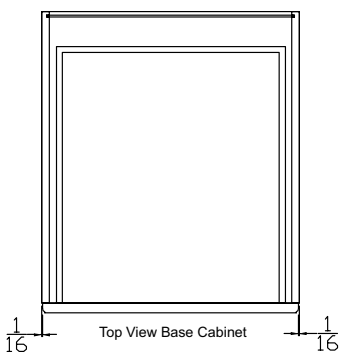

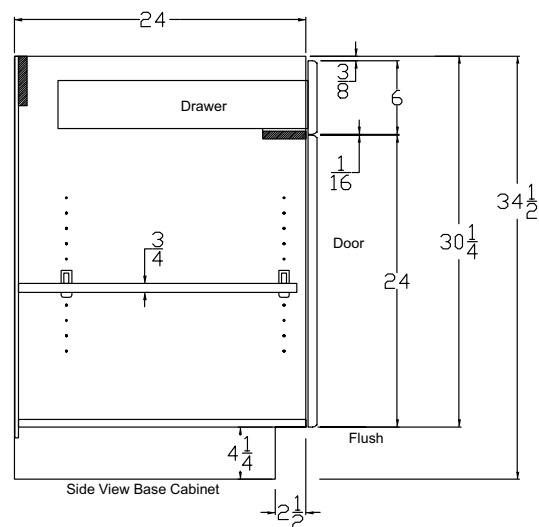

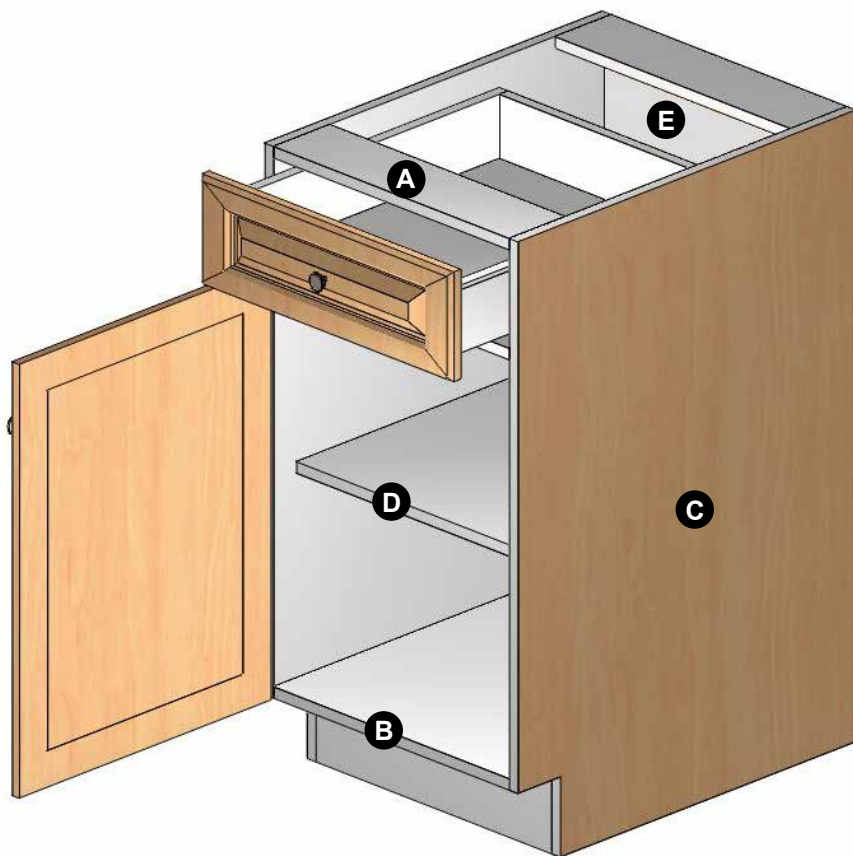

DEPTH INCHES	12" HEIGHT	15" HEIGHT	18" HEIGHT	21" HEIGHT	24" HEIGHT	30" HEIGHT	36" HEIGHT	42" HEIGHT
12	D1212	D1215	D1218	D1221	D1224	D1230	D1236	D1242
15	D1512	D1515	D1518	D1521	D1524	D1530	D1536	D1542

- Must be field installed.
- Decorative End Panels ordered and packaged separately.
- Can be fastened to the side of any standard size cabinet.
- Actual size of end panels 1/8" smaller in both width and height than the dimension code.
- Finished ends should also be ordered to cover exposed areas.

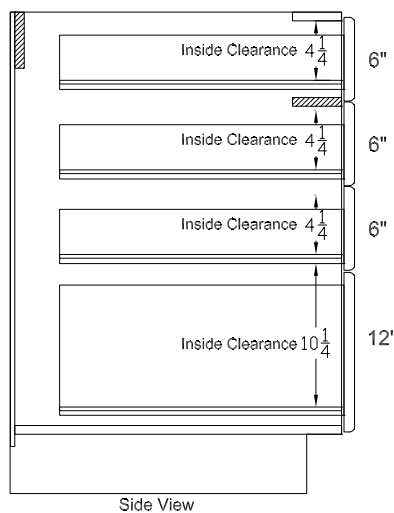

NOTES:

- A Tops:** 5/8" Plywood rails
- B Bottoms:** 5/8" Laminated furniture board.
- C Ends:** 5/8" Laminated furniture board. Cabinet comes standard with exposed unfinished furniture board. **All finished ends, natural maple laminate, white laminate or matching finished ends must be specified.** See page 9, finished ends, for more information.
- D Shelves:** Fully adjustable 3/4" Laminated furniture board.
- E Backs:** 1/4" Laminated furniture board with 4" x 5/8" plywood mounting rail.

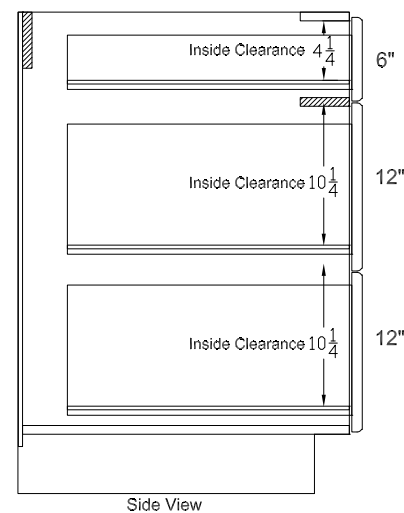

**Designer Note:** We recommend the use of a heat deflector (AMHD-page 64) for Thermofoil kitchen installations. Please refer to Cleaning Care on our website for more information about preventing head and/or humidity damage.

## Decorative End Panels for Base Cabinets

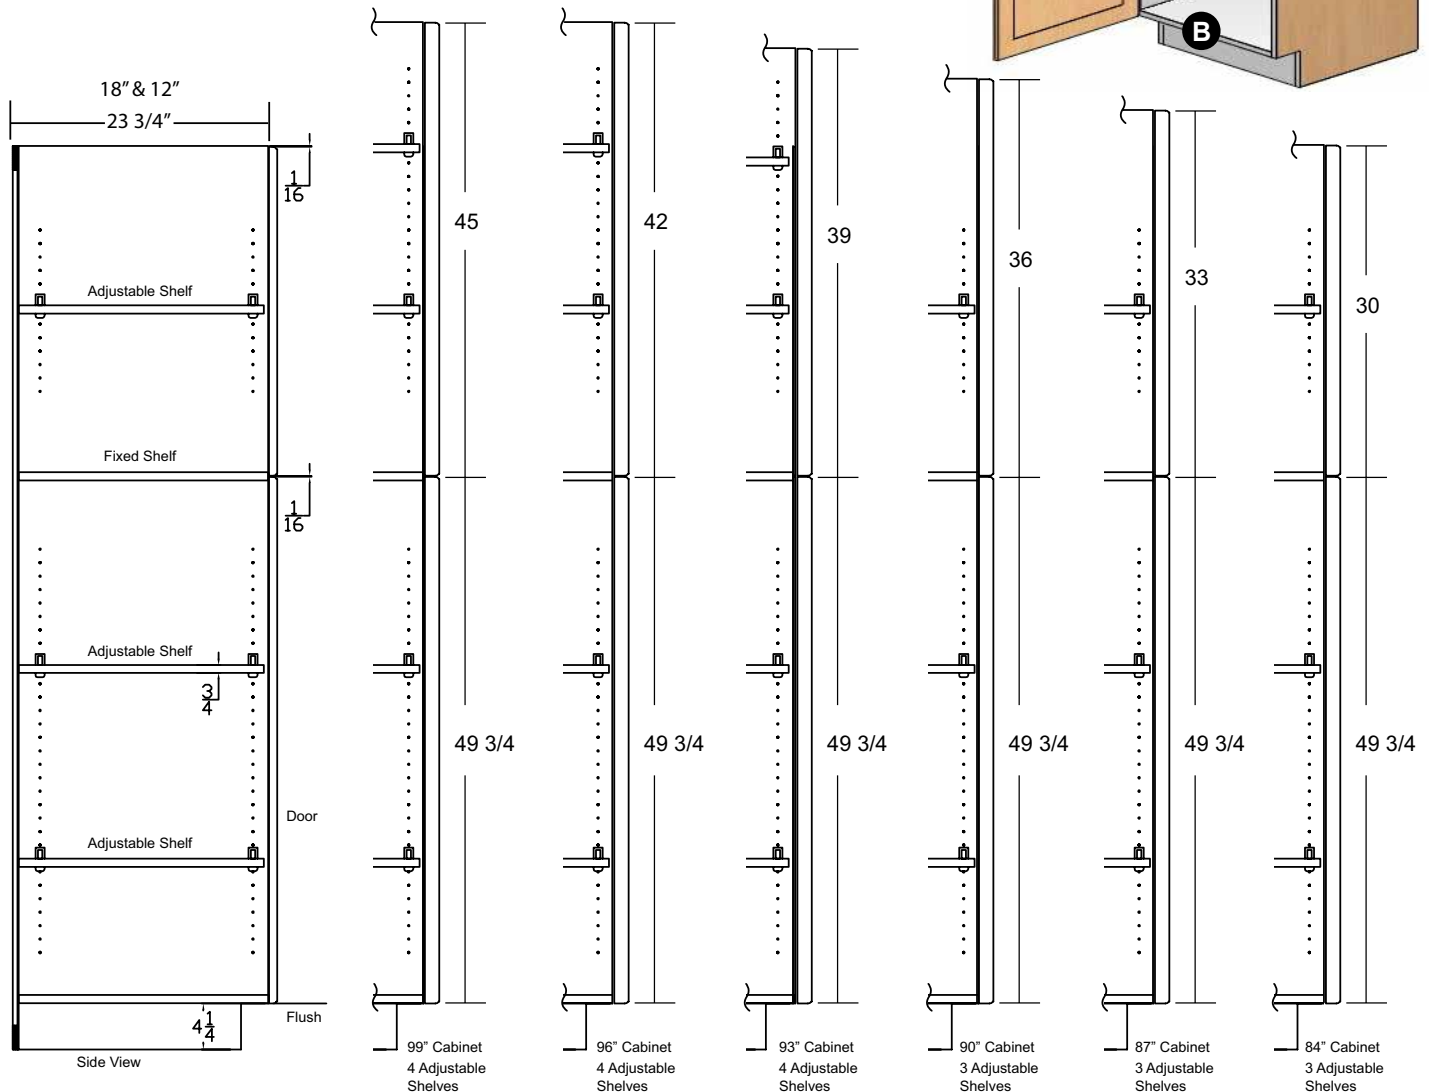

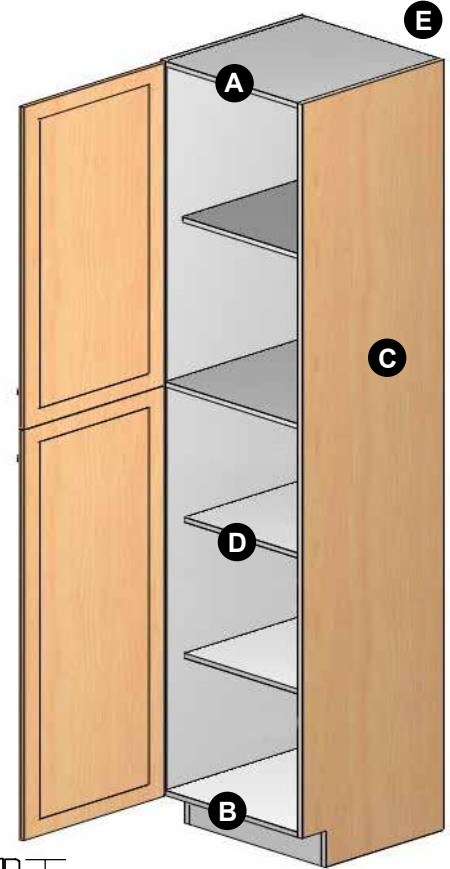

- Must be field installed.
- Decorative End Panels ordered and packaged separately.
- Can be fastened to the side of any standard size cabinet.
- Actual size of end panels 1/8" smaller in both width and height than the dimension code ( Example: D2430 actual size is 23 7/8" x 29 7/8").
- Finished ends should also be ordered to cover exposed areas.

WIDTH INCHES	MODEL NUMBER
24"	D2430

- A Tops:** 3/4" Laminated furniture board.
- B Bottoms:** 3/4" Laminated furniture board.
- C Ends:** 5/8" Laminated furniture board. Cabinet comes standard with exposed unfinished furniture board. **All finished ends, natural maple laminate, white laminate or matching finished ends must be specified.** See page 9, finished ends, for more information.
- D Shelves:** Fully adjustable 3/4" Laminated furniture board.
- E Backs:** 1/4" Laminated furniture board with 4" x 1/2" concealed particle board mounting rails top, mid shelf and bottom. Cabinets 36" and wider will be drilled for center shelf supports.

Designer Note: Toe kicks are not removable. 96" Pantry will not stand up in a room with 96" ceilings.

Order both doors to fit 96" overall height	D2442	D2449

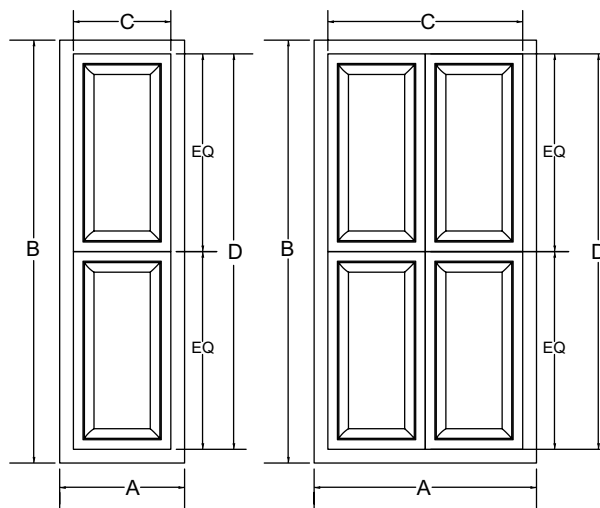

## Notes

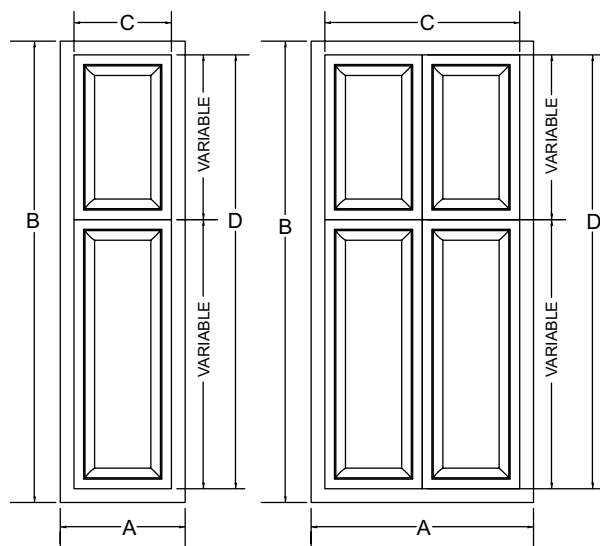

35" - 55"  
Tall Frames

65" - 77"  
Tall Frames

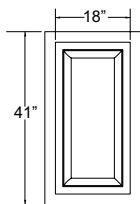

84" - 96"  
Tall Frames

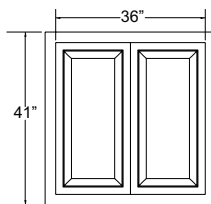

- Includes face frame and door(s) only. No case included.
- Not available with Soft-close hinge
- Cabinet code **Width** refers to the size of the door, or two doors together, on the frame and not the outside dimension of the frame. Cabinet code **Height** refers to the overall height of the frame not the doors.

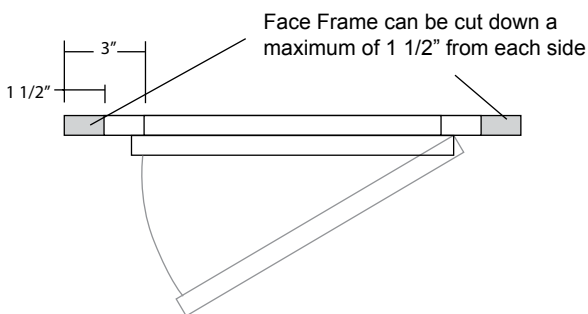

Example: FD1841

FD3641

- Face Frames are made using 3" stiles and rails and may be cut down in width and height by 1 1/2" on both sides and both ends. Meaning the overall dimension of the frame can be reduced by 3" over all both in width and height.

## Tips on Hanging Wall Units

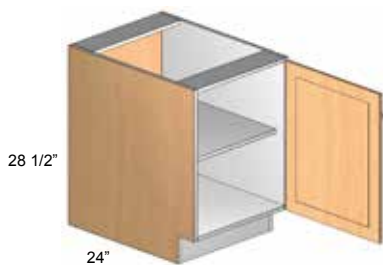

- Units typically hung 9" to 13" off floor
- Plywood hang rail provides reinforced support
- Use a minimum of 4 anchors per cabinet (into studs), otherwise:
  - Build half depth toe kick, or
  - Use legs on front, or
  - Use cleat on wall below cabinets
- Properly hung units will support up to 300 lbs. of weight at front; however, you should not stand on these cabinets

**Notes**

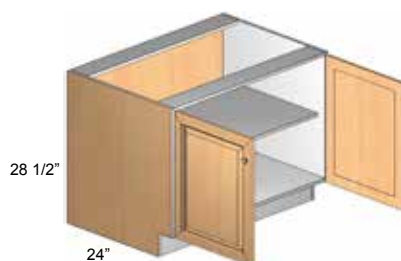

- A Tops:** 5/8" Plywood rails.
- B Bottoms:** 5/8" Laminated furniture board.
- C Ends:** 5/8" Laminated furniture board. **All finished ends must be specified.** If not specified, the ends will come with exposed furniture board. Natural maple laminate, white laminate or matching finished ends must be specified. See page 9 to specify matching laminate or matching real wood veneer finished ends.
- D Shelves:** Fully adjustable 3/4" Laminated furniture board. Not Shown.
- E Backs:** 1/4" Laminated furniture board with 4" x 5/8" plywood mounting rail.

## How to Convert an ADA Cabinet

Phillips Head screwdriver is required for converting an ADA cabinet

**Step 1 ADA VANITY:**  
Empty contents of cabinet

**Step 2 ADA VANITY:**  
Carefully remove doors and  
set aside for later use

**Step 2A ADA COMBO VANITY:**  
After you remove the doors,  
remove the two drawers

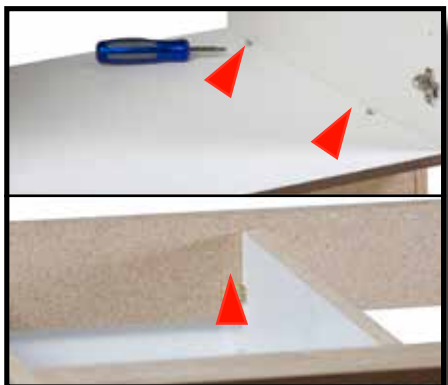

**Step 3:** Remove hinge plates  
and set aside for later use

**Step 4:** Unscrew header from bracket  
with normal Phillips Head screwdriver

**Step 5:** Remove floor screws (4)

**Step 5A ADA COMBO VANITY:**  
Remove the 4 floor screws  
shown in top photo, and the  
bracket screws in bottom photo

**Step 6:** Slide floor board out  
and set aside for later use

**Step 7:** If desired, a chisel and hammer  
can be used to remove blocks  
*Note: Without blocks, cabinet can  
not be converted back*

\*\*1/4" available only with Maple  
(not available with RTF wood grain)

## Panels/Skins (1/4")

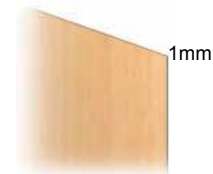

W x H	Code
12" x 96"	APS1296
24" x 48"	APS2448
24" x 96"	APS2496
48" x 48"	APS4848
48" x 96"	APS4896

Grain runs with second dimension of model number  
\*Maple available in veneer only

## Veneer Thin Repair Skins (1mm)

Uses	W x H	Code
Uppers	12" x 48"	APRS1248
Tall	24" x 96"	APRS2496
Universal Base	24" x 48"	APRS2448

- Grain runs with second dimension of model number
- Use contact cement (or equivalent) and roller applicator
- Veneer is shipped sandwiched between cardboard.
- Thermofoil is a cut sheet of foil shipped in a roll.
- Trim edge and touch-up with markers

**Countertop Rough Top - CDX Plywood (APLY)**

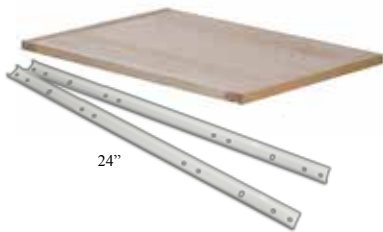

- Use 3/4" plywood for tile (1/2" overhang)
- Use 5/8" plywood for granite
- Exterior grade

DIMENSIONS	PART NUMBER
3/4" x 12" x 96"	APLY3412
3/4" x 24" x 96"	APLY3424
3/4" x 48" x 96"	APLY3448
5/8" x 12" x 96"	APLY5812
5/8" x 24" x 96"	APLY5824
5/8" x 48" x 96"	APLY5848
1/2" x 24" x 96"	APLY1224
1/2" x 48" x 96"	APLY1248

**Countertop Build-Up Strips (APBU)**

- Use strips for Formica build-up
- Specify edgeband finish
- Rip into three equal parts to cover front, back and sides with one piece per 8' LF of bases

DIMENSIONS	PART NUMBER
5/8" x 2" x 96"	APBU58

**Workboard (AWB)**

- Work surface only, not a cutting board
- Laminate natural finish surface
- Normally sits on top of drawer
- Glide is required to allow for slide out installation

WIDTH INCHES	PART NUMBER
15	AWB15
18	AWB18
21	AWB21
Glides	AWBG

**Under Cabinet Plastic Sink Tray (ASBT)**

- Protects cabinets from water and debris damage
- Snug fit reduces common mold and mildew problems
- Made of durable plastic
- Will not corrode
- Easy clean up

DIMENSIONS	PART NUMBER
Sink Tray fits BS30 – 30 x 24	ASBT3024
Sink Tray fits BS33 – 33 x 24	ASBT3324
Sink Tray fits BS36 – 36 x 24	ASBT3624
Sink Tray fits BS42 – 42 x 24	ASBT4224

**Roll-Outs for Cabinets (ARO)**

- Includes roll-out, glides and spacers
- 75# integrated glide
- Single door includes 2 spacers
- Double door includes 4 spacers
- Standard and Dovetail fronts are natural wood
- Specify Dovetail (DT)

**Single Door**

5 YEAR NEW CONSTRUCTION LIMITED WARRANTY

One (1) Year Full Warranty and Five (5) Year Product Only Warranty

RSI Professional Cabinet Solutions (RSI PCS) warrants its parts and products to be free of substantial defects in materials and workmanship for a period of five (5) years following their acquisition date. If a part or product is determined at the sole discretion of RSI PCS to have substantial defects in either materials or workmanship, then:

- a) In the first year, RSI PCS will repair or replace parts or products that are defective without cost, including all directly related in-home service costs, including removal, repair or reinstallation labor. If RSI PCS was not the installation company, in-home costs are not covered by RSI PCS, but may be covered by the installation company's warranty.
- b) For all five years, RSI PCS will repair or replace parts or products that are defective. The parts or product will be delivered at no cost; however, all in-home service and labor will be billable at current rates or quoted prices. Trip charges will apply for inspection visits resulting in non-warranty work.
- c) In the event the product or part is no longer available, RSI PCS will provide, at its sole discretion, either an equivalent product or appropriate compensation.

LIMITATIONS AND EXCLUSIONS

This warranty does not cover degradation from normal wear and tear or damage caused by misuse, abuse, negligence, appliance proximity to heat, alterations, desert heat exposure, water or humidity absorption, mold, other trades, homeowners or non-residential applications. In addition, variations from samples or model homes, wood grain, finish, color, aging or other natural wood and stain characteristics are not considered defects and are not covered by this warranty (see our Appearance Disclaimer Document for details).

To the extent permitted by law, this warranty and any applicable implied warranties do not include incidental or consequential damages or expenses arising from any defects in the product. In addition, if the product was not installed by RSI PCS but by another party, this warranty does not cover incidental costs such as delivery, storage or handling expenses, labor charges for installation or removal of the product or any associated expenses. If products are altered, removed or reinstalled after the initial installation date, this warranty is voided.

There are no warranties that extend beyond the descriptions on the face hereof and RSI PCS disclaims any implied warranty of merchantability, to the extent permitted by law. To the extent that such disclaimer is not permitted under applicable law, any implied warranty shall be coextensive in duration with this warranty. Some states do not allow limitations on the duration of implied warranty, so the above limitation may not apply to you. This warranty is only valid in the United States.

In keeping with our policy of continuous product improvement, RSI PCS reserves the right to change specifications in design and materials without notice and with no obligation to retrofit products we previously manufactured.

HOW TO OBTAIN SERVICE APPLICABLE UNDER THIS WARRANTY

If you need replacement parts or would like to make a warranty claim, please contact your builder first, who will typically contact the local service provider or RSI PCS (if we were the installer) and open a trackable customer service request. Once we are notified by the builder, we will begin addressing the claim within a few days and correct as quickly as possible, usually within a few weeks. In the event your builder is not responsive, you may contact our Customer Care Team at RSI PCS directly by mail, email, fax or telephone at the address or phone numbers listed below:

RSI Professional Cabinet Solutions  
11350 Riverside Drive, Mira Loma, CA 91752  
Tel (909) 614-2960 Fax (909) 614-2961
